

June 6, 2017

Dear Neighbour,

Re: McMinn Park Improvements

You may have had the opportunity to attend one of the public events regarding improvements to McMinn Park. Public input from these events was used to help finalize the park's Concept Plan. You can find the Concept Plan and public feedback at www.saanich.ca/parks.

Saanich Parks is pleased to inform you that work will commence the week of June 19th. The first phase, which will see most of the new elements constructed, will wrap up later this fall. Please note that logistics and public safety require that the park be closed during this period, though perimeter trails will remain open. Please refer to www.saanich.ca/parks for alternative facilities. Phase two, including construction of a public washroom building, is scheduled for 2018.

We will make every effort to minimize disruption during construction. Please share this information with your neighbours, and contact us at 250-475-5522 if you have any questions.

Thank you in advance for your patience as we complete improvements to McMinn Park.

Yours truly,

Gary Darrah
Manager of Park Planning and Development

CC Suzanne Samborski, Director Parks & Recreation
Eva Riccius, Senior Manager, Parks
Parks, Trails & Recreation Advisory Committee
Cordova Bay Association for Community Affairs
Broadmead Area Residents' Association
