Help us **build the plan** for Cordova Bay! We've taken the input you've provided so far and put together **policy options** on transportation for the Local Area Plan update.

Drop-in for interactive displays and/or join us for a scheduled **workshop**. We want your input on how we can improve connections, pedestrian safety, cycling networks, transit and vehicle circulation.

Supervised **children's activity area** provided in the gym with pizza for the kids at 6 pm.

Refreshments provided for everyone.

Save the dates for **Workshop #2** – Community Amenities & Natural Areas (Dec 3) and **Workshop #3** - Housing & Land Use (Feb 5).
